ACCEPTANCE OF UNINTENTIONALLY DELAYED CLAIM TO PRIORITY UNDER  
37 C.F.R. §1.55(c)**

Commissioner for Patents

Sir:

Applicants hereby claim foreign priority under 35 U.S.C. §§119(a)-(d) and 365(a) (as applicable) to Korean Patent Application No. 10-2003-0003226, filed January 17, 2003. A certified copy of that application is attached to this Petition.

However, since this claim for foreign priority is being submitted after the period specified by 37 C.F.R. §1.55(a), Applicants hereby petition for acceptance of this late priority claim, pursuant to the provisions of 37 C.F.R. §1.55(c). A check for the fee of \$1330 specified by 37 C.F.R. §1.17(t) is attached to this paper. If the check is missing or inadequate, the fee or any deficiency may be charged to our Deposit Account, No. 23-1951, under our Order No. 6192.0384.US.

The entire delay in submitting the foreign priority claim, from the date on which it was due until the date of filing of a grantable petition, was unintentional.

In view of the above, Applicants respectfully submit that the requirements for accepting a delayed foreign priority claim have been met. Accordingly, Applicants respectfully request that the foreign priority claim be acknowledged and that this application be published in due course based on its priority date.

If any additional fees are due in connection with this petition, or if Applicants have overpaid any fees, fees may be charged to, and overpayments returned to, the Deposit Account given above. Prompt and favorable consideration of this Petition are respectfully requested. If the deciding U.S. Patent and Trademark Office official has any questions, he or she is invited to contact the undersigned.

Respectfully submitted,

Hae-Chan Park,
